To: All Local 749 Members

Please be advised that this evening an emergency Executive Board meeting took place at the local in Meriden. At this meeting it was disclosed that Cindy Egan had submitted a letter of resignation for her officer as President of Local 749 to AFSCME Council 4 with an effective date of May 3rd.

Pursuant to our Local's constitution, a vote was held by the 749 E. Board to fill the office of President of Local 749 on an interim basis, (that being the remainder of the current term which ends with this Fall's elections.)

As a result, Tony Duarte was elected President and then Louis Panico was elected to fill the Treasurer's office vacated by Tony Duarte.

This website will be updated to reflect these changes in the near future. Your patience will be most appreciated
